<th>VISION</th>
<th>MISSION</th>
</tr>
</thead>
<tbody>
<tr>
<td>We shall become a world class oil &amp; Gas service company with capacity to design, construct &amp; maintain related equipment &amp; facilities; participating in supply chain management services and impact positively on the environment and our surrounding communities.</td>
<td>We are in the business to provide goods and services to the Oil &amp; Gas industries using engineering and logistics best industrial practices while protecting the environment.</td>
</tr>
</tbody>
</table>
**What we do**

We are involved in turnkey Project Contracts.
- Technical Materials Procurement & Supply
- Installations of Equipment, Rehabilitation, Inspection Services for On-shore & off-shore facilities. Hydro-Blast Cleaning of Equipment
- Upgrades, Maintenance Services on Mechanical, Electrical and Instrumentation Equipment. Valves & Pipeline on-line Sealing
- We work, stock and hire out specialized Joint integrity tools & equipment on RENTAL basis here in Nigeria for Maintenance and Shutdown operations for Bolting, Torqueing, Tensioning, Flange re-facing & On-site machining.

**How we do it**

In addition to being sole agent to several OEM’s, we get a continuous technical backup from these equipment manufacturer’s. Debyl Limited in-house, have qualified trained technical personnel’s capable to handle equipment repairs, inspection of facilities & maintenance works.

Here in Nigeria we have – signed technical agreements/MOU with specialized engineering firms, consultants and standard workshops.

We work with some machine workshops in Europe & America with the best technical know-how in the field of re-engineering, upgrades and rehabilitation of obsolete equipment.
Debyl Limited participates excellently in the comprehensive Supply Chain Management Services since 1991 in the areas of Procurement and Supply of Technical materials from anywhere in the world to any plant in Nigeria. We handle all logistics for timely delivery of equipment and spare parts from the OEM to the end-user's warehouse.
Vendor Excellence Award from Shell Petroleum Development Company (SPDC) of Nigeria Limited.

Given in recognition of Debyl Limited consistent World Class Service Delivery and Professionalism.
### Pump Applications:
We supply, install and maintain pumps that fit your applications and requirements, such as Fire water pumps, waste water pumps, dosing pumps, etc.

### Compression Systems:
For Reciprocating, centrifugal compressor, we supply all spare parts such as couplings, internals, unloaders, bearings etc.

### Electricals:
For Regular and black start power generation systems, cabling, control panels, switchboards, substations, motors, etc.

### EMD Diesel Engines:
Heavy duty Two & Four Stroke Diesel engines for marine, traction, compression and power generation applications.
JOINT INTEGRITY - CONTROLLED BOLTING, TENSIONING, TORQUEING, EQUIPMENT RENTAL & ON-SITE SERVICES

HYDRAULIC TORQUE WRENCHES

CONTROLLED BOLTING WORKS

ELECTRIC POWER CONSOLES

FLANGE RE-FACING

Comprehensive Supply Chain Management Services Since 1991
PROJECT EXPERIENCE

- Compressor, Pump & Valve installations, overhaul/Rehabilitation & re-commissioning
- Inspection Support Services / Facilities Maintenance for - On and Off-Shore Platform
- Plant, Equipment and facilities upgrades, obsolete equipment refurbishing.
- Hydro-blast Cleaning of Heat Exchangers, Tube Bundles Inspection, Facilities & Equipment cleaning
- Flange Management and Leak Seal Services
- Joint Integrity, Controlled Bolting, Tensioning, Torqueing & Tools for Shutdown & Mtce Services and RENTAL of Hydratight Tools for Mtce works
- On-site Machining, Hot tapping & Pipe works.
ECONOMICAL DESIGN-TAKING THE FOLLOWING FEATURES INTO ACCOUNT

- Water quality
- Air Quality (Relative humidity, dust...)
- Noise and plume limitation
- Available plot area
- Local labor costs

WOOD STRUCTURE
FRP STRUCTURE
CONCRETE STRUCTURE
TECHNICAL TRAINING with ECITB MJ1 Specification Training Rig

Mobile Training Rig
WE PARTNER WITH INDUSTRY’S BEST

Comprehensive Supply Chain Management Services Since 1991
